I am transcribing this handwritten letter from Del Bland, rather than just forwarding it to you in MV, because I think that you may want to ask Gerry to look for something at Cecil as part of the process of answering Bland.

The letter has an enclosure which is a three-page list of half cents consigned to B.G. Johnson in February 1941.

Dear Eric,

**June 8, 2011 -- Stanwood, WA**

**Thank you for responding to my last letter.**

**I already have a copy of the U.S. large cent list prepared by B. G. Johnson of the Green Estate. This you sent to me quite a few years ago and shows the coins obtained by you and those kept by Johnson.**

**What I desperately need is the list of large cents sent by Brand to Johnson on 2/7/41. Enclosed is a copy of the list of the Brand half cents. This was sent to me by Tett who got it from you. The list of large cents will be of the same format. Do not return this list.**

**I do not have a computer. So what you send will have to be photocopied. Asking you to do this leaves me with some mental anguish. And if it is not possible, I will understand completely.**

**Thanks so much, Eric.**

**Best Regards Always**

**Del Bland**
